

Frequently Asked Questions

What can I wear during a typical service?

Our focus is not what you have on but more on how you treat others. Blue jeans with a shirt is common. The church understands not everyone owns a 3 piece suit or an evening gown, plus we don't expect you to. Now if you see the minister wearing a 3 piece suit, the only thing you will ask yourself is who's getting married or who's at the funeral?' We ask for you to come as you are, and pray you will not leave the same way.

Do you take communion every Sunday?

As a believer, we strongly encourage taking the Lord's supper. Doing so is important when the church gathers. The church is to remember what God did for her in Calvary and what His plans are for the church in the future. By taking the juice and bread, the church is reminded of the first gathering of the church found in the book of Acts. This is done following the invitation, our response time with pre packaged cups.

Will I have to stand and be acknowledged?

The church does not make a visitor stand up or be acknowledged. Our plan is to grow the church closer to Christ. The same goes for a baby, we don't expect it to stand the moment it enters this world. So the church wants to come back and not make you stick out like a sore thumb. Before you leave just make sure you leave a social security card, credit card, and blood sample :)

What programs do you offer the kids?

Sunday School begins at 9:45 am the kids are studying the bible. During Sunday Worship the kids' age 5 & up stay inside the service for family worship. A nursery is provided for infants to age 4. Wednesday the kids eat at 6pm and from 6:30p-8pm kids and youth come together for worship and study through God's word.

What happens in a normal service?

SCC begins with a kids prayer, reciting bible memory verse, kids sing. All worship through song, a presentation of the Word, Invitation, communion and closing prayer.

What is being taught from the pulpit?

For this in depth, just ask the Pastor. Honestly the simple answer is the Bible, "we speak when it speaks and silent when it is silent." The Bible is the food for the Christian and we desire to preach and teach the food to all who are willing to hear.
